

INVITATION FOR RUSSIAN STARTUPS

Slush is the focal point for Eurasian startups and tech talent to meet with top-tier international investors, executives and media. In 2013, Slush gathered 7000 attendees and 1200 companies from 68 countries for the two-day event. Slush takes place every fall in wintery Scandinavia amidst one of the most dynamic tech ecosystems in the world. This is the seventh edition of Slush, put together by a community of entrepreneurs, for entrepreneurs.

We have created a package with which startups get:

- **Discounted Company Passes.** Russian Startups can acquire passes for 195 euro.
- **One-on-one meetings.** Full two-day access to investor matchmaking.
- **Demo booth.** Centrally located stand in the venue's main hall (via application only).
- **Pitching competition.** For early stage companies (via application only).
- **Recruiting.** Share open positions with Slush attendees and view applicant profiles.
- **Industry events.** Possibility of attending industry-specific sessions during Slush.
- **Accommodation.** Event rates of up to -25%
